COPY OF ACT IN RELATION TO ANNUAL REPORTS OF CORPORATIONS.

AN ACT *requiring corporations to make annual report to the Secretary of State, and providing for the cancellation of articles of incorporation for failure to do so, and to repeal a certain act therein named.*

SECTION 1. *Be it enacted by the People of the State of Illinois, represented in the General Assembly:* That every corporation hereafter organized under the laws of this State shall, before receiving a certificate of complete organization, file with the Secretary of State a statement setting forth the postoffice address of its business office, giving street and number.

§ 2. Every incorporated company, other than railroad, banking, building and loan and insurance companies, religious corporations and corporations not organized for pecuniary profit, existing by virtue of any general or special law of this State, or hereafter organized by virtue of any law of this State, shall annually, between the first day of February and the first day of March, report to the Secretary of State the location of its principal office in this State, with town, street and number; the names of its officers, with their residence, stating the town, street and number, with the date of the expiration of their respective terms of office, whether or not the corporation is pursuing an active business under its charter, and the kind of business engaged in, if any, which said report shall be made under the seal of the corporation, and shall be signed and sworn to by the president, secretary or other officer of the corporation, and in case said corporation is in the hands of an assignee or receiver, then such report shall be signed and sworn to by such assignee or receiver, which said report, together with a fee of one dollar for filing the same, shall be sent to the Secretary of State, in whose office it shall be filed. The Secretary of State shall in no case receive or file said report until said fee is paid, and a failure to make said report and pay said fee shall be *prima facie* evidence that said corporation is out of business, and shall work a forfeiture of the charter of such corporation. And it is hereby made the duty of the Secretary of State to enter upon the records of his office, as soon as practicable after default in making such report, the cancellation of the charters of all corporations failing to make said report at the time and in the manner herein provided.

§ 3. The Secretary of State is hereby required, on or before the fifteenth day of January of each year, to mail to every corporation proper blanks to be used in making the report hereinbefore provided, and also a copy of section 3 [two] of this act, together with a notice that a failure on the part of said corporation to make such report within the time prescribed by law shall be taken as *prima facie* evidence that such corporation is out of business, and that upon such failure its articles of incorporation will be cancelled upon the records of the office of the Secretary of State: *Provided*, That where a corporation is located in a city of fifty thousand inhabitants or upwards, and the records in the office of the Secretary of State do not disclose in its address the location by street and number of such corporation, it shall be the duty of the Secretary of State, in lieu of mailing the notice, copy of law and blank herein provided, to publish, on or before the fifteenth of January of each year, in some newspaper of general circulation, printed and published in the county in which said city is located, a copy of section 3 [two] of this act, together with a list of all corporations in said city to which this act applies, except those to which notices are required to be mailed as provided for in this section; *Provided, further*, That where the records in the office of the Secretary of State fail to show in what town or county any corporation is located, then the above notice may be given in any newspaper of general circulation published in this State, and that such notice shall not be published more than once as to any one corporation.

§ 4. The publishers of the newspapers printing the notices provided for in this act shall, immediately after such publication, transmit by mail to the Secretary of State, Auditor of Public Accounts, State Treasurer and recorder of deeds of the county in which said paper is published, a copy of the paper containing said notice and list, with a certificate by the publisher, verified by oath, that said notice and list appeared in every copy of the issue of that date, and that it was distributed to all patrons of said paper in the regular way.

§ 5. The fee for publication is hereby fixed at five cents per line of the width of a newspaper column for the publication of said copy of law and notice, and five cents for each corporation named.

§ 6. The Secretary of State is hereby required, on or before the first day of July, 1902, or as soon thereafter as practicable, to file with the recorder of deeds of each county in this State a certified list of all corporations which have made the report hereinbefore provided for, with the names and addresses of their president and secretary, or their principal officers or manager, together with the location by city, street and number of their principal business office in this State, which list shall be filed in the offices of said recorders for public reference, and annually thereafter, on or before the first day of July, the Secretary of State shall file a similar list of all additional corporations which have made such report, and also a list of all corporations previously certified which have since been cancelled for non-compliance with said law.

§ 7. *It is further provided*, That any corporation which is pursuing an active business under its charter, failing to make said report at the time provided by law may, at any time within one year of such default, be reinstated upon the records in the office of the Secretary upon the payment of a fee in the sum of twenty dollars for such reinstatement and filing in said office an affidavit stating all the facts required in section 3 [two] of this act, and, in addition thereto, the fact that it was at the time of such default, and still is, engaged in active business under its charter.

§ 8. The expenses of the publication hereinbefore provided for shall be paid from the appropriation for printing, upon bills properly certified by the Commissioner of State Contracts, and the Auditor of Public Accounts is hereby authorized and directed to draw his warrant upon the State Treasurer for the amount so certified, and the Treasurer shall pay the same out of the money appropriated for printing.

§ 9. That an act entitled, "An act requiring corporations to make annual report to the Secretary of State and providing for the cancellation of articles of incorporation for failure to do so," approved April 21, 1899, in force July 1, 1899, be, and the same is hereby repealed.

APPROVED May 10, 1901.

March 5, 1904.

State of Illinois,
Department of State.

I, James A. Rose, Secretary of State of the State of Illinois, hereby certify that the corporations hereinbefore named, from page 4 to page 253, is a true and correct list of all corporations which filed an annual report for the year A. D. 1904, as provided by the Act of May 10, 1901; and that said list contains the names of all additional corporations not included in the list certified for the year 1903, which have since March 1, 1903, complied with all the provisions of said Act.

And I further certify that the corporations hereinbefore named, from page 254 to page 296, is a correct list of all corporations which complied with the said Act for the year 1903, but which failed to comply with said Act for the year 1904, and I hereby certify that the cancellation of the charters of all of said last named corporations was duly entered on March 5th, 1904.

Witness my hand and the Great Seal of State the day and year first above written.

[seal]

James A. Rose

Secretary of State.
